

BRE Cookie Policy

This Cookie Policy explains how BRE ("we," "our," or "us") uses cookies and similar tracking technologies on our website. By using our website, you consent to the use of cookies as described in this policy.

1. What Are Cookies?

Cookies are small text files placed on your device (computer, tablet, or mobile) by websites you visit. They help websites work efficiently, enhance user experiences, and provide useful information to the website owners.

2. Types of Cookies We Use

We use the following types of cookies on our website:

a. Strictly Necessary Cookies

These cookies are essential for the proper functioning of our website. They enable you to navigate the site and use its features, such as accessing secure areas. Without these cookies, services you request (such as logging into your account) cannot be provided.

b. Performance Cookies

These cookies collect anonymous information about how visitors use our website. They help us understand which pages are most popular, track errors, and monitor overall performance. All information collected is aggregated and therefore anonymous.

c. Functionality Cookies

Functionality cookies allow our website to remember choices you make (such as your username, language, or region) and provide enhanced, more personal features. These cookies can also be used to remember changes you've made to text size, fonts, and other customisable aspects of the website.

d. Targeting/Advertising Cookies

These cookies are used to deliver advertisements relevant to you and your interests. They remember that you've visited our website and may be used to track your online activity across other websites and devices. They are often placed by third-party advertising networks with our permission.

3. Third-Party Cookies

We may also allow third-party service providers, such as Google Analytics, to use cookies on our website to track and analyse usage. These cookies are controlled by third parties and are subject to their own privacy policies. We recommend reviewing their policies to understand how they manage cookies.

4. Managing and Disabling Cookies

You can manage or disable cookies through your browser settings. Most browsers allow you to block cookies or alert you when a website is attempting to place a cookie on your device. However, please note that if you disable cookies, certain features of our website may not function properly.

Here's how you can manage cookies in popular browsers:

- **Google Chrome:** Go to Settings > Privacy and Security > Cookies and other site data.
- **Mozilla Firefox:** Go to Options > Privacy & Security > Cookies and Site Data.
- **Microsoft Edge:** Go to Settings > Cookies and site permissions.
- **Safari:** Go to Preferences > Privacy.

For more information on how to control cookies, visit www.allaboutcookies.org.

5. Changes to This Cookie Policy

We may update this Cookie Policy from time to time to reflect changes in our practices or relevant legal requirements. Any updates will be posted on this page, and we encourage you to review this policy regularly.

6. Contact Us

If you have any questions or concerns about our Cookie Policy or how we use cookies, please contact us at:
